Christianity

During harvest time Christians thank God for helping them to grow the food that they have collected.

The creation story as written in the Bible.

On the sixth day, God created animals to fill the earth. God also created humans to enjoy and care for all that He had made.

On the seventh day, God rested. Sunday is seen by Christians as the seventh day of the week and is a day for rest and reflection - this often includes going to church.

Judaism

Every year, many Jewish families celebrate Sukkot by building and living in a sukkah for a week.

They try to eat all their meals inside it and also invite their family and friends to eat in it too.

This is to help them remember when God freed them from slavery and they wandered in the desert for forty years.

On the seventh day of Sukkot, Jews visit the synagogue to give thanks to God for looking after them.
